

Preliminary Amendment
10/533,158

REMARKS

The foregoing amendments are made to insert the required SEQ ID NO identifiers associated with each listed sequence.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

A copy of the post card receipt for the March 7, 2006 response is attached to demonstrate Applicants have previously supplied sequence listings. The extended delay is therefore not attributable to Applicants. Upon inquiry and investigation it appears the PTO may have mislaid the computer readable disks submitted last year.

Applicants' legal representative wishes to acknowledge the courtesy extended by Ms. Frances Young, PTO PCT Branch, during telephone discussions in early April 2007. Her kind assistance is appreciated.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Should additional fees be necessary in connection with the filing of this paper, or if a petition for extension of time is required for timely acceptance of same, the Commissioner is hereby authorized to charge Deposit Account No 06-1135, regarding Order Number 7388/84325 for any such fees; and applicants hereby petition for any needed extension of time.

Date: May 4, 2007

Respectfully submitted,
